VIGNOBLES & CRÉMANTS DE LOIRE

Depuis 1885

CHINON LANGLOIS-CHATEAU

For three years, Langlois-Chateau has been selecting wines on the best Terroirs of Chinon. We have chosen only one wine grower sharing the Langlois Chateau philosophy.

Vineyard:

- Situation : Beaumont en Verron,
- Grape-variety: Cabernet-Franc (100%),
- « Terroir » : Silica chalky

Harvest :

- Hand and mechanical picking, depending on the maturity and the condition of crop.
- 55 Hl / Ha

Vinification :

- Harvest totally destalked,
- Maceration in thermo-regulated steel tanks for 15 days,

Maturing :

- In steel tanks bottling before summer.

Characters:

- Ruby colour,
- A delicate nose of red fruits (raspberry and strawberry),
- Supple, round and fruity on the palate.

This Chinon from Langlois-Chateau is the result of the wine making know-how from Langlois-Chateau but also of the choice of the producer. This supple and hearty wine will be perfect with “Salade Landaise”, red grilled meat, but you can also enjoy it at any time!
