

LANGLOIS-CHATEAU

VIGNOBLES & CRÉMANTS DE LOIRE

Depuis 1885

CHATEAU DE THAUVENAY SANCERRE WHITE – TERROIR CALCAIRE

This 18 hectares vineyard surrounds one of the rare castles in Sancerre, in Thauvenay (south east of the Appellation). Facing the Loire, the vineyard is located on a very nice chalky soil.

Vineyard :

- Grape variety : Sauvignon (100%),
- Terroir : clay chalky marl

Harvest:

- Yield: 55 hl/ha,
- Hand and mechanical picking
- Pneumatic pressing with juice selection.

Vinification :

- Fermentation in small thermoregulated stainless steel tanks
- Separated vinification between younger and older vines
- Maturation on lees until bottling on April

Characteristics :

- Very expressive nose of exotic fruits like pine apple, mango, grapefruit ...
- On the palate, very fat and aromatic wine
- Nice acidity bringing freshness

Accompaniments :

- Serve with smoked salmon, lobster, grilled fish but also as an aperitif and of course with dry goat cheese

Serving Temperature: 10-12°C

Ageing Potential : 5 years
